**LOS RIOS COMMUNITY COLLEGE DISTRICT
INDEPENDENT CONTRACTOR v. EMPLOYEE CHECKLIST**

The “ABC test” is required to determine if workers in California are employees or independent contractors for purposes of the Labor Code, the Unemployment Insurance Code, and the Industrial Welfare Commission (IWC) wage orders. Under the ABC test, a worker is considered an employee and not an independent contractor, unless the hiring entity satisfies **all three** of the following conditions:

		Yes	No
A.	<p>Is the worker free from the control and direction of the District in connection with the performance of the work?</p> <p>The District likely satisfies this condition if the District tells the worker what work product to provide, and the worker decides how to perform the work.</p>	<input type="checkbox"/> Continue to B	<input type="checkbox"/> Stop , this is an employee
B.	<p>Will the worker perform work that is outside the usual course of the District’s business?</p> <p>The worker will likely be considered an employee if the worker provides services in a role comparable to that of an existing employee.</p> <p>If the worker will be performing tasks of teaching, learning, or providing educational opportunities, please further consider the items below:</p> <ul style="list-style-type: none"> • The worker will likely be considered an employee if the worker will be actively involved in more than one semester of classes offered by the District. • The worker will likely be considered an employee if the task the worker will perform is essential to the District’s ability to offer a class or a particular educational opportunity. If the task that the worker will perform enhances the District’s level of instruction, the task is not “essential.” 	<input type="checkbox"/> Continue to C	<input type="checkbox"/> Stop , this is an employee
C.	<p>Is the worker customarily engaged in an independently established trade, occupation, or business?</p> <p>The worker will likely be considered an employee if an individual’s work relies on a single employer.</p> <p>The independent business operation must actually be in existence at the time the work is performed.</p>	<input type="checkbox"/> “Yes” answers to all conditions A-C indicate an independent contractor relationship	<input type="checkbox"/> Stop , this is an employee

If you believe that the individual qualifies as an independent contractor, submit a requisition, service agreement, this checklist, and any explanatory attachments. The contract will not be valid until a Purchase Order is issued, and no agreements should be made nor should work commence before that time. Due consideration should be given to all questions, since the penalty to the originating department for misclassification is approximately 50% of the contract amount.

Requisition No _____
 Description of Services _____

As of January 1, 2003, Education Code Section 88003.1 restricts the District's ability to contract for services. Before a requisition can be processed, the following certificate must be completed indicating that the required service meets the Ed Code criteria.

Section I

The requisition will not go forward for processing unless you answer yes to at least one of the questions below:

- | | <u>Yes</u> | <u>No</u> |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|
| 1. Is this a continuing Service Agreement that was in place before January 1, 2003? | <input type="checkbox"/> | <input type="checkbox"/> |
| 2. The Legislature has specifically mandated or authorized the service to be contracted out. | <input type="checkbox"/> | <input type="checkbox"/> |
| 3. The necessary services are either unavailable within the District workforce, cannot be satisfactorily performed by employees, or are very highly specialized. | <input type="checkbox"/> | <input type="checkbox"/> |
| 4. The services are incidental to a contract for the purchase of real or personal property, for example a service contract for office equipment. | <input type="checkbox"/> | <input type="checkbox"/> |
| 5. Contracting out is necessary to avoid a conflict of interest or other legal problem, or where an outside perspective is needed. | <input type="checkbox"/> | <input type="checkbox"/> |
| 6. The service is needed to respond to an emergency. The contract shall be no longer than sixty days. | <input type="checkbox"/> | <input type="checkbox"/> |
| 7. The contractor will provide equipment, materials, facilities or support services that could not feasibly be provided by District staff. | <input type="checkbox"/> | <input type="checkbox"/> |
| 8. The services are so urgent, temporary or occasional that the delay in the District's hiring process would frustrate the purpose. | <input type="checkbox"/> | <input type="checkbox"/> |

Section II

If the services do not fall within one of the above exceptions, the requisition will not go forward unless you answer yes to all of the following questions:

- | | | |
|----------------------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------|
| 1. There clearly will be actual overall cost savings. | <input type="checkbox"/> | <input type="checkbox"/> |
| a. The District must consider the salaries and benefits of additional staff and the cost of additional space, equipment and materials. | <input type="checkbox"/> | <input type="checkbox"/> |
| b. The District shall not include the District's indirect overhead costs, unless those costs would be exclusively caused by the work. | <input type="checkbox"/> | <input type="checkbox"/> |
| c. The District shall include the District's costs of supervising, inspecting or monitoring the contractor. | <input type="checkbox"/> | <input type="checkbox"/> |
| 2. The services are not being contracted out solely to save money. | <input type="checkbox"/> | <input type="checkbox"/> |
| 3. The contract does not cause the displacement of District employees. | <input type="checkbox"/> | <input type="checkbox"/> |
| 4. The savings must be large enough that market fluctuations will not tip the balance. | <input type="checkbox"/> | <input type="checkbox"/> |
| 5. The amount of savings must clearly justify the size and duration of the contract. | <input type="checkbox"/> | <input type="checkbox"/> |
| 6. The contract must be publicly bid. | <input type="checkbox"/> | <input type="checkbox"/> |
| 7. The contract includes specific qualifications of the staff that will perform the work and includes nondiscrimination provisions. | <input type="checkbox"/> | <input type="checkbox"/> |
| 8. There is minimal risk of contractor rate increases. | <input type="checkbox"/> | <input type="checkbox"/> |
| 9. The contract is with a firm. | <input type="checkbox"/> | <input type="checkbox"/> |
| 10. The potential economic advantage of contracting out is not outweighed by the public interest in having the work done in-house. | <input type="checkbox"/> | <input type="checkbox"/> |

If the services do not qualify under Section I or II, then the services must be completed by District staff and the requisition cannot be processed.
