13. Regarding your personal physical safety.

- ^{13.3)} Other areas you have avoided at your primary ARC work location due to concerns for your physical safety:
- In counseling the area nearest the classified employees has one way in and one way out IF they lock the door to where the call center is located. Also, in the early mornings to counseling the access inside is locked and employees must use the back entrance, which is not ADA accessible. It would help if all employees that start at 7:30am had key access through Admissions and Records office.
