THE CENTER FOR TEACHING AND LEARNING presents.....

THE SOLE OF HIP HOP

This interactive discussion will focus on how Hip-Hop music, through the lens of the sneaker community, plays a vital role in many identities here at American River College.

We'll examine the sneaker culture that is prevalent in many of our students (and staff!). We'll also discuss the latest sneakers to hit the market, and examine just why so many people love to collect shoes.

The workshop will conclude with a dive into respectability politics in the workplace - why many people who love the sneaker culture are afraid to wear their prized shoes to school, work, etc.

Date: Thursday, March 14th, 2019

Time: 12:15pm - 1:15pm

Location: Raef Hall 160

Cost: FREE

For more information, please contact:

The Center for Teaching and Learning at ctl@arc.losrios.edu

Disclaimer- some of the videos examined in the workshop will contain some strong language.
