# FALL into WINTER 12/20

ARC Classified Senate  
Winter Luncheon 2019

CLASSIFIED  
SENATE  
AMERICAN RIVER COLLEGE

There are no classes, and offices will be closed in observance of the following holidays.

November 11th

November 28 - December 1

Offices will be **OPEN** November 25th - 27th. Campus will **RESUME** on December 2nd.

## SPOTLIGHT

The Classified Senate is spotlighting our ARC Classified Professionals every month. **WE** want to get to know **ALL** Classified Professionals and understand the work they do for our campus. So let's get to know this month's **SPOTLIGHT!**

**Name:** Lisa M Mundling  
**Title:** Instructional Assistant  
**Department:** Health & Ed Simulation Lab

### How do you serve the campus community?

*Lisa provides realistic medical simulations for our healthcare students, using lifelike "human" simulators. This allows our students to experience emergent health care scenarios in a safe, confidential, controlled environment often before they even see a live patient. Lisa also interacts with community healthcare partners to provide skill improvements in healthcare education to future American River College students.*

### What specialties did you bring to your job?

*Lisa brings 15yrs of free-lance make-up artistry in biological special effects makeup. As her talents grew and support from peers, she continued her education in Biological Anthropology, which turned into a love for studying Evolutionary Medicine.*

**If we handed you a magic wand – and you could change ONE thing on your campus, what would it be?** *I would magically create a new state-of-the-art multi-story building suite for our division with updated lab spaces. The healthcare field is growing so quickly, and we have to keep up with the need to provide more and more education for our growing student population, and we just don't have enough space to accommodate everything.*

**What would you like others to know about you?** *I am a fortunate product of American River College, and proof that it's never too late to go back to school and start over. I thought I knew where my life was going until the economy crashed and my lifelong career providing a luxury service no longer sufficed. I had the choice to either find something to maintain me financially, or to find a new direction to go that was less dependent on economic climate. ARC gave me that opportunity, and I've been able to work my way up into academia, which I never would have thought was possible. It's been a really cool and enlightening journey.*

## You're Invited!

**ALL** Classified Professionals are invited to attend the senate meetings. You don't have to be apart of the Classified Senate in order to attend. We look forward to seeing you at the next meeting. Please the meeting dates below.

## DID YOU KNOW?

The Graphic Design team provides services that can benefit your area. You will get to work with a graphic designer who will bring your visions to print or digital projects. Not sure how this will work?

**Visit the website by following these steps:**

1. [inside.arc.losrios.edu](http://inside.arc.losrios.edu)
2. Click Staff Resources
3. Click Graphic Design Services

<https://inside.arc.losrios.edu/staff-resources/graphic-design-services>

Look for this to  
get started

ARC GRAPHIC  
DESIGN - JOB  
REQUEST FORM

A graphic advertisement for Media Services (formerly IMS). The central text reads "Media Services (formerly IMS)". Surrounding this are four quadrants with icons and labels: "Audio Visual Services" (top-left), "Graphic Design Services" (bottom-right), and two other quadrants with icons representing various media and design tools. The background is a dark blue gradient.

### Office Hours:

Monday - Thursday 8am to 6pm

Friday 8am to 5pm
