**Community Services offerings enable you to improve the quality of your life through lifelong learning. This program of fee-based classes is designed to serve individuals with educational goals that do not require college credit.**

### Community Services Offerings

#### **CSERV 2010 Emergency Medical Technician Renewal 0.00 Units**

*Community Services (Not-for-Credit) Course*  
 Hours: 24 hours TBA

Course is designed to review basic prehospital topics and skills required for National Registry of Emergency Medical Technician recertification.

#### **CSERV 2011 Emergency Medical Technician Skills Competency Verification 0.00 Units**

*Community Services (Not-for-Credit) Course*  
 Hours: 8 hours TBA

This course is designed to provide Emergency Medical Technicians (EMT) the opportunity to verify EMT-Skills Competency as required by the California Emergency Medical Services Authority.

#### **CSERV 2013 Pediatric Advanced Life Support 0.00 Units**

*Community Services (Not-for-Credit) Course*  
 Hours: 16 hours TBA

The PALS course gives healthcare professionals the knowledge and skills to better recognize and treat critically ill infants and children. The course uses a scenario-based, team approach to teach pediatric emergency management of pediatric patients approaching or already in respiratory or cardiac arrest. The course covers treatment beyond the first few emergency minutes and goes through stabilizing patients or transport phases of a pediatric emergency, in or out of the hospital.

#### **CSERV 2014 Pediatric Advanced Life Support Renewal 0.00 Units**

*Community Services (Not-for-Credit) Course*  
 Hours: 8 hours TBA

The PALS course gives healthcare professionals the knowledge and skills to better recognize and treat critically ill infants and children. The course uses a scenario-based, team approach to teach pediatric emergency management of pediatric patients approaching or already in respiratory or cardiac arrest. The course covers treatment beyond the first few emergency minutes and goes through stabilizing patients or transport phases of a pediatric emergency, in or out of the hospital. Recertification/renewal is provided to professional with a current provider level PALS certification.

#### **CSERV 2015 Advanced Cardiac Life Support 0.00 Units**

*Community Services (Not-for-Credit) Course*  
 Hours: 16 hours TBA

Emergency Health Care Providers frequently manage patients with life-threatening cardiac events. This course will enhance their skills in treating adult victims of cardiac arrest or other cardiopulmonary emergencies. This course emphasizes will include: • importance of basic life support CPR to patient survival • integration of effective basic life support with ACLS interventions • importance of effective team interaction and communication during resuscitation The course includes simulated clinical scenarios that encourage active, hands-on participation through learning stations where students practice essential skills individually, as part of a team, and as team leader.

#### **CSERV 2016 Advanced Cardiac Life Support Renewal 0.00 Units**

*Community Services (Not-for-Credit) Course*  
 Hours: 8 hours TBA

Emergency Health Care Providers frequently manage patients with life-threatening cardiac events. This course will enhance their skills in treating adult victims of cardiac arrest or other cardiopulmonary emergencies. This course emphasizes will include: • importance of basic life support CPR to patient survival • integration of effective basic life support with ACLS interventions • importance of effective team interaction and communication during resuscitation The course includes simulated clinical scenarios that encourage active, hands-on participation through learning stations where students practice essential skills individually, as part of a team, and as team leader. Recertification assumes experience as a provider of ACLS.

#### **CSERV 2018 National Registry Paramedic Licensure Preparation 0.00 Units**

*Community Services (Not-for-Credit) Course*  
 Hours: 8 hours TBA

This course is designed to prepare paramedic students for the National Registry of Emergency Medical Technicians-Paramedic Licensure Examination.

#### **CSERV 2019 National Registry Paramedic Licensure Testing 0.00 Units**

*Community Services (Not-for-Credit) Course*  
 Hours: 8 hours TBA

This course is designed to test paramedic students for minimum skills competency for the National Registry of Emergency Medical Technicians-Paramedic.

**CSERV 2020 12 Lead EKG Interpretation and Advanced Cardiac Care 0.00 Units**

*Community Services (Not-for-Credit) Course*  
Hours: 8 hours TBA

This course is designed for practicing health care professionals who manage and treat emergency cardiac patients. The course presents current concepts involving 12 lead EKG application, interpretation and associated advanced emergency cardiac care.

**CSERV 2021 MCI & Incident Command System Basics 0.00 Units**

*Community Services (Not-for-Credit) Course*  
Hours: 8 hours TBA

This course is designed for Public Safety professionals interested in understanding the basic concepts of both the Incident Command System (ICS) and Mass Casualty Incidents (MCI). The course provides students with simulated opportunities to implement the ICS when presented with MCI events.

**CSERV 2022 Trauma Life Support 0.00 Units**

*Community Services (Not-for-Credit) Course*  
Hours: 16 hours TBA

This course is designed to provide students with the knowledge and skills to better manage trauma patients in the prehospital environment. The course involves international standards that enable the student to master the latest techniques in rapid trauma assessment, identification of immediate life-threatening injuries and the appropriate medical interventions.

**CSERV 2030 Russian for Business and Travel I 0.00 Units**

*Community Services (Not-for-Credit) Course*  
Hours: 16 hours TBA

This is an introductory course in Russian that emphasizes basic business and travel-related vocabulary as well as cultural/nonverbal aspects of Russian business communication.
