Honors Transfer Certificate

Major Code: 011133C01

The American River College (ARC) Honors Program is a community of students and faculty who are dedicated to the pursuit of intellectual and personal enrichment in a diverse and challenging academic environment. Students with a cumulative GPA of 3.2 or better who have completed at least 15 units of approved Honors coursework earn a Certificate of Achievement noted on the transcript. A maximum of 6 units of Honors coursework may be transferred from other colleges. Some courses may need to be petitioned. A total of 12 units of degree-applicable coursework must be earned at ARC to meet residency requirements. Most courses in the certificate fulfill requirements for the ARC A.A., A.S., A.A.-T., A.S.-T. degrees, the Intersegmental General Education Transfer Curriculum (IGETC), and the CSU General Education Certification Pattern. Check with an ARC counselor for exceptions. Completion of the certificate with a cumulative grade point average (GPA) of 3.2 or better allows students to take advantage of transfer agreements with highly selective colleges and universities through the Honors Transfer Council of California and to participate in the Transfer Alliance Program at UCLA. Honors students must meet with a counselor to ensure completion of ARC graduation and/or transfer requirements. In addition, Honors students should meet regularly with an Honors faculty advisor to ensure completion of the Honors certificate in a timely fashion.

Student Learning Outcomes

Upon completion of this certificate program, the student will be able to:

- analyze the broad areas of human knowledge that contribute to purposeful and meaningful lives
- incorporate argumentative reasoning and logic involved in the process of advanced problem solving in an academic setting
- investigate advanced methods of inquiry and analysis employed in a variety of disciplines
- justify personal accomplishments as a highly motivated, self-directed individual in an advanced academic setting
- demonstrate cultural competence in a diverse academic setting
